Clivet AHU

Premium-spec Air Handling Units designed for high-profile projects and high-humidity applications. Modular designs offer the flexibility to add components as needed. AHU feature unitary structures that provide superior cold-bridge-free performance, reduced air leakage, and an elegant appearance.

- Thermal Bridging Class: TB1 ($0.75 \leq k < 1.00$)
- Thermal Transmittance Class: T2 ($0.5 < U \leq$
- Eurovent Certified Testing: Compliant with EN 1886

Clivet Eurovent & AHRI Certified Chillers

Clivet Eurovent & AHRI Certified Air-Cooled Chillers are available in a range of models, including Twin Section Liquid Chillers equipped with Inverter Screw Compressors and Multi-Stage Scroll Compressors.

These chillers are compatible with a variety of refrigerants, including R1234ze, R32, R410A, and R513A.

ActronAir Serene | R410A

Reliable wall-mounted heat pump using R410A refrigerant for proven, efficient performance. Ready-to-install units delivering quiet, consistent comfort for residential spaces.

REFRIGERANTS

R134A-13.6Kg

HFC refrigerant for automotive AC, commercial chillers and medium-temp refrigeration. Non-flammable, zero ODP.

R410A-11.3Kg

HFC blend for residential and commercial split system air conditioning. Non-flammable, zero ODP.

R407C-11.3Kg

HFC blend suited to AC and medium-temp refrigeration. Common retrofit refrigerant for R22 systems.

R407F-11.3Kg

HFC blend for medium and low-temp commercial refrigeration. Lower GWP alternative to R404A and R507.

R507-11.3Kg

Azeotropic HFC blend for low and medium-temp commercial and industrial refrigeration. Non-flammable.

R452A-11.35Kg

HFC/HFO blend for commercial and transport refrigeration. Non-flammable, lower GWP than R404A.

R449A-11.35Kg

HFC/HFO blend for low to medium-temp commercial refrigeration. Non-flammable, A1 safety rated.

R404A-10.9Kg

HFC blend for low and medium-temp commercial refrigeration systems. Non-flammable, zero ODP.

R454B-9.5Kg

Low GWP HFC/HFO blend for split systems and heat pumps. Mildly flammable, A2L safety rated.

R290

Natural propane refrigerant for small commercial and plug-in refrigeration. A3 rated – highly flammable.

R290-400g | R290-5.0 Kg

R32

Single-component HFC for residential split system air conditioning. A2L rated – mildly flammable.

R32-3.0Kg | R32-9.5Kg

R600A

Natural isobutane for domestic refrigerators and small plug-in units. A3 rated – highly flammable.

R600A - 3.0Kg | R600A - 6.5Kg

TOOLS & CONSUMABLES

Bernzomatic MAPP Gas Cylinder

Propylene-based fuel gas for brazing and soldering.
Compatible with standard brazing torches.

MAPP

Disposable Oxygen Cylinder

For Heavy Duty, Hi-temp usage
suitable for Bromic kit, 136GM

OXY

Recovery Gas Cylinder

Dot approved, 21.6 & 41.9 L bottles (20 & 40 kg), Y-Valve
liquid/vapour, 3/4" NPT opening accepts 80% Fill Capacity

CONDENSATE PUMPS

Blue Diamond MicroBlue Condensate Pump

Flow: 5L/HR, Lift: 5M, Head: 2M

Microblue + Reservoir (HLA) X86-001

Ultra-compact self-priming condensate pump for mini-split systems up to 3.5kW. 17dB operation.

Blue Diamond MiniBlue Condensate Pump

Flow: 8L/HR, Lift: 5M, Head: 5M

Miniblue + Cooling Signal X87-504

Self-priming condensate pump for domestic and light commercial AC systems up to 8kW. 21dB operation.

Blue Diamond MaxiBlue Condensate Pump

Flow: 14L/HR, Lift: 8M, Head: 8M

Maxiblue + Reservoir (FSA) X87-701

Self-priming condensate pump for residential and commercial AC systems. Includes failsafe alarm.

CHEMICALS

Green Earth Coil Disinfectant

EPA registered, hospital-grade disinfectant for HVAC coils. Kills bacteria and mould on contact.

R-CDD/1 | R-CDD/5 | R-CDD/20 1L Sprayer, 5L/20L bottle

Green Earth Evaporator Coil Cleaner

Foaming cleaner for evaporator coils. Removes dirt, grease and biological buildup.

R-ECC/1 | R-ECC/5 | R-ECC/20 1L Sprayer, 5L/20L bottle

Green Earth Foam-Brite Alkaline Condenser Cleaner

Heavy-duty alkaline foam cleaner for condenser coils. Breaks down stubborn grease and carbon deposits.

R-FCC/1 | R-FCC/5 | R-FCC/20 1L Sprayer, 5L/20L bottle

Green Earth Air Filter Cleaner

Biodegradable cleaner for washable air filters. Removes dust, grease and airborne contaminants.

R-FCD/1 | R-FCD/5 | R-FCD/20 1L Sprayer, 5L/20L bottle

Green Earth Ice Machine Cleaner

Biodegradable cleaner for commercial ice machines. Removes scale, slime and mineral deposits.

R-IMC/1 | R-IMC/5 1L Sprayer, 5L bottle

Cal-Blue Micro Leak Detector

Freeze-protective, non-corrosive leak detection fluid. Instantly identifies refrigerant leaks on fittings and joints.

4182-24 0.95 Litre c/w Sprayer
